

# Marketing Analytics

# Introduction to Business Problem

- ShopEasy, an online retail business, is facing reduced customer engagement and conversion rates despite launching several new online marketing campaigns. They are reaching out to you to help conduct a detailed analysis and identify areas for improvement in their marketing strategies.
- **Key Points :**
  - **Reduced Customer Engagement:** The number of customer interactions and engagement with the site and marketing content has declined.
  - **Decreased Conversion Rates:** Fewer site visitors are converting into paying customers.
  - **High Marketing Expenses:** Significant investments in marketing campaigns are not yielding expected returns.
  - **Need for Customer Feedback Analysis:** Understanding customer opinions about products and services is crucial for improving engagement and conversions.

# Subject: Request for Data Analysis to Improve Marketing Strategy

Hi Data Analyst,

I'm the Customer Experience Manager at ShopEasy, and I'm writing to seek your help with analyzing our customer feedback. Over the past few months, we've noticed a drop in customer engagement and satisfaction, which is impacting our overall conversion rates.

We've gathered a significant amount of customer reviews and social media comments that highlight various issues and sentiments. We believe that by thoroughly analyzing this feedback, we can gain a better understanding of our customer's needs and pain points.

Your expertise in data analysis will be crucial in helping us decode this feedback and provide actionable insights. We hope this will guide us in improving our customer experience and ultimately boost our engagement and conversion rates.

Thank you for your assistance.

Best regards.

John Smith

Customer Experience Manager

ShopEasy
